**STRENGTH - SAFETY - CONFIDENCE**

The Authorized U.S. Distributor  
for Miguel Caballero products

Elite Sterling Security, LLC is a Colorado-based provider of premier personal ballistic protection solutions of superior quality and strength for Corporate and Governmental Executive Leadership, high-profile celebrities, as well as military, security, rescue, and law enforcement. We are an Authorized Seller for North America of Miguel Caballero personal protection solutions, and we support our client's efforts to improve their safety through our relentless pursuit of excellence in customer service, cutting-edge products, and global security relationships, thus developing their confidence in our company and services.

## Proprietary "bulletproof" Technologies

Our ballistic panels are made from proprietary "bulletproof" technologies, including hydrostatic shock dispersal technology, thus minimizing the impact associated with mainstream ballistic apparel. The garments are constructed from the finest materials - from Italian leather to 100% cotton to the latest in waterproof and thermo-regulating synthetics.
